Endeavour lands at Kennedy Space Center Tuesday

Space Shuttle Endeavour returned to Kennedy Space Center's Shuttle Landing Facility at 5:22 p.m. CST Tuesday. After traveling 4 million miles in space and mapping more than 47 million square miles of the Earth's surface, the orbiter and six-member flight crew made a flawless landing on the second of two Florida landing opportunities.

Marshall welcomes Glenn Center Director Campbell

NASA's Glenn Research Center Director Donald Campbell will be the featured speaker from 9-10 a.m. at Wednesday's closing ceremonies for Black History Month in Morris Auditorium. Winners in the poster and essay contests will be recognized.

Statewide tornado drill set as part of severe weather week

Alabama observes severe weather awareness week Feb. 21-25. The National Weather Service has scheduled the Statewide Tornado Drill for Wednesday. Inclement weather date is Friday. The Huntsville-Madison County Emergency Management Agency will take actions similar to those during tornado watches and warnings, including sounding warning sirens.
